ARK UMBRELLA
Factory profile for wholesale buyers

Production base
Dongshi Town, Jinjiang, Fujian, China
Founder: Arkey Xu

Products and capabilities
Fabric and transparent POE umbrellas for retailers, importers and promotional buyers. Project options include canopy printing, custom handles, branded sleeves and export packing.

How to start an OEM project
1. Send a reference photo, intended market, quantity and delivery date.
2. Review the material, frame, dimensions, artwork and sample.
3. Agree inspection criteria, packing and shipping before production.

Rain curtain projects
Availability and development requirements are reviewed per design.
Ask for a demonstration of the proposed mechanism on a working sample.
